

ESPERANZA

"HOPE"

ORPHANAGE SPONSORSHIP PROGRAM

CONSIDERING THE COST

BABY FORMULA

Baby Formula per baby for one month:

\$130.00

Formula provides babies with the nutrients they need to continue the growth and development necessary in becoming strong, healthy children.

CHILDREN'S BIBLE

Spanish Bible or Bible Story Book for a child to learn about Jesus:

\$7.00

Giving children the opportunity to hear or read the Bible in their own language is a great way for the news of the love of Jesus to reach these precious little ones

EDUCATION

One year in the public school

system per child:

\$ 300.00

Education is an important opportunity for orphan children, which equips them with the skills they need when the time comes for them to leave the orphanage.

DIAPERS

Diapers needed per infant/baby for one month:

\$32.00

Disposable diapers allow the orphanage workers to concentrate more on caring for the children instead of constantly doing laundry loads of cloth diapers. Disposable diapers are also cleaner and there is less chance of spreading bacteria, disease, and germs to other children.

MEALS

Three square meals a day

per child:

\$3.50

What a difference a full belly makes in the world of a child, enabling him or her to focus on playing or school instead of hunger pains.

Milk

Two glasses of milk per day per child for one month:

\$4.80

Children of all ages benefit from drinking milk. Providing orphan children with the nutrients that are in milk which will help in the development of their bones and teeth.
