Dear Rotarian,

Congratulations! Using your Rotary International MasterCard® credit card is about to help your local Rotary Club!

Thank you for carrying and using the Rotary International MasterCard credit card. In doing so, you have not only helped support your local club, but you also help support The Rotary Foundation every time you make a purchase.*

The \$50 Club Incentive Voucher is attached to the bottom of this letter. Please separate the voucher from this letter and give it to your Club President or Treasurer.

Remember, each time you continue to use your Rotary International MasterCard to make a purchase, The Rotary Foundation receives a contribution from Bank of America, at no additional cost to you!

Sincerely,

Shandelle Perry
